9. Write a query that display text description of those products whose name contains “Harley”

The screenshot shows a database query result window with a dark theme. At the top, there are icons for 'Result Grid', 'Filter Rows', 'Export', and 'Wrap Cell Content'. Below these icons is a table with three columns: '#', 'productName', and 'textDescription'. The table contains three rows of data, all of which are Harley Davidson motorcycles. The first row is highlighted with a light gray background.
